### Biography

Steve Tycz joined Reed Hilderbrand after a tenure at PWP Landscape Architecture, working on urban park projects and institutional work. Steve received a Bachelor of Science in Landscape Architecture from the University of Connecticut. Steve strives to focus on technical aspects, thoughtful material selection, and attentive detailing in order to turn design ideas into successful built work. At Reed Hilderbrand, Steve serves as project manager for several private residences in the Northeast and contributes to recent institutional work at the Georgia O’Keeffe Museum and Dumbarton Oaks.
