## Biography

Stephanie Pierce is a Senior Associate at Reed Hilderbrand. She received a Master of Landscape Architecture from the Harvard Graduate School of Design and a Bachelor of Arts in Biological Studies and Art History from Wellesley College. Since joining the practice in 2004, Stephanie has served as a designer and project manager on diverse projects, including MIT's North Court, the Phillips Academy Campus Master Plan, and the Hamilton College Kennedy Center for Theater and the Studio Arts. She currently is project manager for the Bruce Museum of Arts and Science in Greenwich CT, the Hamilton College Student Life District Master Plan and a residence for art collectors in Pound Ridge, New York. Stephanie has contributed to shaping office culture through her shared hiring and professional development responsibilities.
